RE: CRA Funded Project – Pepper Park Basketball Court

RECOMMENDATION

It is recommended that the Mayor and Council approve the attached resolution amending Fiscal Year 2011-12 Amended Revenue and Expense budgets to include the receipt and appropriation of funds from the Community Redevelopment Agency (CRA) in the amount of \$25,000 to be used for improvements to the Pepper Park Basketball Court.

BACKGROUND

The two basketball courts at Claude Pepper Park are in need of extensive renovations. One of the concrete basketball standards has broken on three separate occasions and can no longer be repaired. The other three standards are also original to the facility and are in need of replacement as well. The surface on the two courts is worn and has numerous scrapes.

This funding will allow for the replacement of all four concrete basketball standards with metal standards and padding. The aging backboards and rims will also be replaced with modern glass backboards and durable rims. The courts will be resurfaced, sealed and striped similar to the courts at Ben Franklin Park that were redone a few years ago.
